

***MARK 14:28-29, And Peter answered Him and said, "Lord, if it is You, command me to come to You on the water." So He said, "Come." And when Peter had come down out of the boat, he walked on the water to go to Jesus.***

Peter actually walked on the water! Now it is true he took his eyes off Jesus and began to sink. But think of it. He actually walked on the water. What a tremendous miracle! Peter is a powerful example to us today of what a person can do if they will walk in obedience to the Lord. Jesus Himself said it; "If you can believe, all things are possible to him who believes." (MARK 9:23) You see, Peter was a man just like you or me. He had flaws. He said and did things that brought disappointment to the Lord. Yet he was also a man that the Lord could use because of his complete faith in Jesus and His word. Peter had faith!

I believe that the day and hour in which we live requires men and women of great faith who will step out in obedience to God's word and dare to tread where the faint hearted would not dare go. The Lord is calling us to have the courage to follow Him into the stormy seas and do the miraculous. So put aside the excuses that keep you in the "safety zone" of being average. Cast down the voice of the devil and of those around you who would convince you that you are not good enough or holy enough for God to use you. Is the Lord calling out to you to follow Him? Has He gives you a dream that seems impossible to achieve? Has He bid you to "come"? Go ahead. Step out. I believe that if you will, you will be amazed at what can happen. And if, after you stepped out, you should find yourself in danger of sinking because you have taken your eyes of the Master, call out to Him. He is an ever-present help in a time of trouble. He will not let you fall. Dare to believe beloved. Glory waits!
