

What a week this has been - first a Giant's game and then the US Open. Wow! But this is only a very small part of what God is doing in our lives. He has answered so many prayers lately that my heart is overflowing with joy. It is amazing that while I love the trips we have taken, the real joy is watching lives change. We have come to realize, the only things that really matter are the lives we touch.

We still have some loved ones that we wish more for - and we pray for them daily, knowing that as we remain faithful, our prayers will be answered!
